Hello! I'm **Huday Fathur Rahman**, a passionate Graphic Designer based in Jakarta. With over 8 years of experience, I specialize in creating impactful designs that resonate with audiences. My journey has been driven by a commitment to continuous self-directed learning and growth. I have developed strong expertise in UI/UX design, particularly for websites, blending creativity and functionality to deliver exceptional user experiences. Let's collaborate to bring innovative ideas to life!

# UI Design

The image displays a composite view of a real estate website's user interface. At the top, there's a header bar with the logo 'Inirumahmu' and the tagline 'YOUR HOME, YOUR STYLE'. Below the header, a large image of a modern house is shown with the same tagline overlaid. To the right of the image, there's a statistics section with the following data:

Menjalin Kerjasama	3,400+	75+	30+	3+
Unit	Perumahan	Developer	Kota	

Below the statistics, there's a section titled 'Siapa Kami?' (Who We Are) which includes a bio and a photo of a person.
